Article 31 of the UNCRC - The right to **play**

World Children's Day

World Children's Day is celebrated on 20th November every year.

This is a special day because it is the date that countries in the United Nations adopted two special agreements.

In 1959 the UN adopted the Declaration on the Right of the Child and in 1989 they adopted the Convention on the Rights of the Child. These are rights children have which helps everyone respect how special and valued we all are.

FUN 31 Afternoon organised and led by P7s

On this World Children's Day, we will be celebrating Buckstone's rights-respecting journey through our Fun31 afternoon. There will be activities to sign up to such as: coding, dance, crafts and sports. Sign up sheets will be shared next week.

Fun 31

Every child has the right to rest, relax, play and take part in cultural and creative activities.

Article 31 UNCRC

All children around the world deserve to feel safe and happy and to have their rights respected. This will help them to achieve all they can and fulfil their potential.
